PRESS STATEMENT:FROM: THE PREMIER, MR. DUNSTAN.

The South Australian Government has agreed to subsidise on a one for one basis up to a maximum of \$1,000 the cost of resealing roadways and installing three sumps and drains at the Port Vincent Caravan Park, the Premier and Minister of Development, Mr. Dunstan, announced today.

Mr. Dunstan said that he expected the work to be completed by mid-December.

"The work is required to prevent the ruin of the present roads and to clear the park of storm waters."

"The Controlling Committee of the District Council of Minlaton has spent \$10,000 on improvements to this very popular park since the last application was made for a Government subsidy and we are pleased to assist in the development of the area as part of our overall policy of developing quality facilities on the Yorke Peninsula," Mr. Dunstan said.
